National Take Back Initiative

On Saturday, October 29, 2011 from 10:00 a.m. to 2:00 p.m., DEA and partner organizations will set up sites in communities around the country where the public can bring unused, unwanted or expired prescription drugs for safe disposal, no questions asked and at no cost to them.

The Los Banos Police Department is proud to take part in this National event and has been selected as a prescription drug drop off site. A drop off site will be located at the Los Banos Police Department where members of the community can anonymously dispose of their medication.

“Often times medication can collect inside homes because people don’t know how, when or where to dispose of it. This gives the public a place to bring that medication, and most importantly, the public will know the medication will not get into the wrong hands.”

*-Ray Reyna Jr., Administrative Commander*

Anyone wishing to learn more about this event can visit the United States Department of Justice web site at [http://www.deadiversion.usdoj.gov/drug\\_disposal/takeback/](http://www.deadiversion.usdoj.gov/drug_disposal/takeback/)
