PRESS RELEASE

June 8, 2011

Child Car Seat Inspection

The Los Banos Police Department along with the California Highway Patrol will be conducting child safety seat inspections on June 9, 2011 in the Wal-Mart parking lot and June 16, 2011 in the Target parking lot between the hours of 10:00 A.M. and 8:00 P.M. Each car seat will be inspected for proper installation, fit for the child, and checked for recalls.

Surveys have shown that car seats are commonly installed improperly and/or are not the proper size for the age and weight of the child. Our goal is to educate parents and keep the children safe. A limited number of seats will be available for low income families who are unable to purchase adequate car seats.

“This is an opportunity for the public to learn about proper car seat installation which could ultimately save your child’s life.”

-Ray Reyna Jr., Administrative Commander

The Los Banos Fire Department and the Los Banos Police Department Explorer POST will also be in attendance.
