DATE 3-28-11

TITLE Refuse Container Enforcement

The City of Los Banos Code Enforcement Division has received numerous complaints regarding refuse containers being left out, and being stored visible from the public right-of-way.

As per City ordinance Section 4-6.03 Nuisances (x); leaving out garbage cans (refuse containers) that is visible from the public street on days not assigned for trash pickup is a violation. The ordinance in its entirety can be viewed at www.losbanos.org.

On April 1, 2011, Code Enforcement will begin issuing citations to residents if they are found to be in violation. The fines start at \$25 for the first offense. The second offense for the same person within 36 months is \$50; and the third offense by the same person within 36 months is \$75.

If you have any questions or concerns, you can contact Code Enforcement located at 333 7th Street, or you may call me at (209) 827-7025 from the hours of 8:00 a.m. to 5:00 p.m. Monday through Friday.

“This enforcement is in response to the many complaints received regarding the refuse containers being in the public view”.

-Tammy Allard, Code Enforcement Officer
