No conditional Bids will be accepted.

The Bid Form shall be signed by a person or persons legally authorized to bind Bidder to the Contract. The individuals signing each document shall warrant that they are authorized to bind the Bidder.

The Owner may waive any informalities or minor defects or reject any and all Bids. Any Bid may be withdrawn prior to the above scheduled time for the opening of Bids or authorized postponement thereof. Any Bid received after the time and date specified shall not be considered. No Bidder may withdraw a Bid within **ninety (90) calendar days** after the actual date and time of the opening thereof. Should there be reasons why the bid cannot be awarded within the specified period; the time may be extended by mutual agreement between the Owner and the Bidder.

Each Bid must be accompanied by a Bid Security payable to the City of Los Banos for an amount not less than \$15,000.00 or a Bidder's Bond executed by a surety authorized by the Insurance Commissioner to transact business of insurance in the State of California. Each bidder is responsible for the review of the Bid Documents. The failure and omission of any bidder to do any of the foregoing shall not relieve any bidder from any obligation with respect to their Bid. All Bids shall remain firm for at least ninety (90) calendar days after the date and time of the bid opening unless otherwise specified.

To qualify as a local bidder, firms or individuals must submit written proof of the address of their principle place of business and a copy of their current City business license with each bid for which a preference is claimed. Proof of address is normally the address to which contract and payments will be sent. Local preference only applies to supplies, materials, and/or equipment. Local preference will not apply to bids conducted with other public agencies nor when prohibited by State or Federal statutes or regulations to be awarded to the lowest responsive and responsible bid, or otherwise exempt from local preferences. A total amount of such a preference granted in a single bid shall not exceed Five Thousand and No/100ths (\$5,000.00) Dollars over a non-local bidder.

The Owner will not be responsible for, nor be bound by, any oral instructions, interpretations, or explanations issued by the Owner or its representatives. Any request for clarifications or questions of the bid shall be made in writing or email and deliverable to:

A total amount of such a preference granted in a single bid shall not exceed Five Thousand and No/100ths (\$5,000.00) Dollars over a non-local bidder.

### **3. Award**

The Owner reserves the right to:

- a. Award bids received on the basis of individual items/services, or groups of items/services, or on the entire list of items/services;
- b. Reject any or all responses, or any part thereof;
- c. Waive any informality in the Bids;

An evaluation of the Bidder's ability, quality, and performance as set forth under "Most Responsive Bidder" and "Lowest Responsible Bidder", of this Bid, will be used in addition to total cost as a basis of award for any ensuing contract.

### **4. Protest**

The lack of prompt procedure to resolve disputes regarding the bidding process would impair the Owner's ability to carry out its purpose of contracting this project in a timely manner. Therefore, to the maximum extent authorized by law and notwithstanding any other procedures specified in these Contract Documents, all disputes and/or protests regarding the bidding process shall be subject to the following procedure. In submitting a Bid to the Owner for this project, the Bidder agrees to comply with and to be bound by this procedure.

Any Bid protest must be submitted in writing to the Owner before 5:00 p.m. on the fifth (5<sup>th</sup>) working day following Bid opening.

1. The initial protest document must contain a complete statement of the basis for the protest, and all supporting documentation. A non-refundable fee of One Thousand Dollars (\$1,000.00) made payable to the "City of Los Banos" shall accompany the protest documents and will be used by the Owner to recover costs in evaluating the bid protest. A bid protest submitted without the requisite fee shall not be considered by the Owner.
2. The party filing the protest must have actually submitted a Bid for the work. A subcontractor of a party submitting a Bid for the work may not submit a Bid protest.
3. A party may not rely on the Bid protest submitted by another Bidder, but must timely pursue its own protest.
4. The protest must refer to the specific portion of the Contract Documents which forms the basis for the protest.
5. The protest must include the name, address and telephone number of the person representing the protesting party.

6. The party filing the protest must concurrently transmit a copy of the initial protest document and any attached documentation to all other parties with a direct financial interest which may be adversely affected by the outcome of the protest. Such parties shall include all other Bidder's who appear to have a reasonable prospect of receiving an award depending upon the outcome of the protest.
7. The Owner will give the protested Bidder five (5) working days after the receipt of the protest to submit a written response. The responding Bidder shall transmit the response to the protesting Bidder concurrent with the delivery to the Owner.
8. The procedure and time limits set forth in this paragraph are mandatory and are the Bidder's sole and exclusive remedy in the event of Bid protest. The Bidder's failure to comply with these procedures shall constitute a waiver of any right to further pursue the Bid protest, including filing a Government Code Claim or legal proceedings.

If the Owner determines that a protest is frivolous, the protesting Bidder may be determined to be non-responsive and/or non-responsible and that Bidder may be determined to be ineligible for future contract awards.
