2. Default

In the event the successful BIDDER who is awarded a purchase order and/or contract resulting from this BID shall be in breach or default, the OWNER may procure the trucks from other sources and may deduct from any monies due, or that may thereafter become due to the successful BIDDER, the difference between the price named in the purchase order and/or contract and actual cost thereof to the OWNER. Prices paid by the OWNER must be considered the prevailing market price at the time such purchase is made. These rights and remedies shall not be exclusive but in addition to any other rights and remedies provided by contract law. Periods of performance may be extended if the facts as to the cause of delay justify such extension in the opinion of the OWNER.

Cancellation for cause shall be at the discretion of the OWNER and shall be, but is not limited to, failure to supply the items, materials, equipment or services specified within the time allowed or within the terms, conditions or provisions of this BID.

An evaluation of the BIDDER's ability, quality, and performance as set forth under "Most Responsive BIDDER" and "Lowest Responsible BIDDER", of this BID, will be used in addition to total cost as a basis of award for any ensuing contract.

4. Protest Procedure

The lack of prompt procedure to resolve disputes regarding the bidding process would impair the OWNER's ability to carry out its purpose of contracting this project in a timely manner. Therefore, to the maximum extent authorized by law and notwithstanding any other procedures specified in these Contract Documents, all disputes and/or protests

regarding the bidding process shall be subject to the following procedure. In submitting a BID to the OWNER for this project, the BIDDER agrees to comply with and to be bound by this procedure.

Any bid protest must be submitted in writing and received by the City Clerk's Office at 520 J Street, Los Banos, California before 5:00 p.m. of the fifth (5th) business day following the bid opening. Untimely protests will not be accepted or considered. A "business day" means a weekday during which the City Clerk's Office is open and conducting business.

1. The bid protest must contain a complete statement of the basis for the protest, and all supporting documentation.
2. The party filing the protest must have actually submitted a bid for the project. A subcontractor of a bidder submitting a bid for the project may not submit a bid protest. A bidder may not rely on the bid protest submitted by another bidder, but must timely pursue his or her own protest.
3. The protest must refer to the specific portion or portions of the contract documents upon which the protest is based
4. The protest must include the name, address and telephone number of the person representing the protesting bidder if different from the protesting bidder.
5. The bidder filing the protest must concurrently transmit a copy of the bid protest and all supporting documentation, as required above, to all other bidders with a direct financial interest which may be affected by the outcome of the protest, including all other bidders who appear to have a reasonable prospect of receiving an award depending upon the outcome of the protest.
6. The bidder whose bid has been protested may submit a response to the bid protest. Such response shall be submitted in writing and received by the City Clerk's Office before 5:00 p.m. of the fifth (5th) business day following the receipt by the City Clerk of the bid protest, and shall include all supporting documentation. Such response shall also be transmitted concurrently to the protesting bidder and to all other bidders who appear to have a reasonable prospect of receiving and award depending upon the outcome of the protest.
7. The procedure and time limits set forth in this section are mandatory and are the bidder's sole and exclusive remedy in the event of bid protest. The bidder's failure to fully comply with these procedures shall constitute a waiver of any right to further pursue the bid protest, including filing a challenge of the award pursuant to the California Public Contracts Code, filing of a claim pursuant to the Government Code Claim, or filing any other legal proceedings.
8. Should the City receive a timely protest, a protest hearing shall be held before the City Manager or designee at 10:00 a.m. on the seventh (7th) business day following the receipt by the City Clerk of the bid protest at 520 J Street, Los Banos, California. All interested parties may appear and offer testimony at the hearing. Formal rules of evidence shall not apply at the hearing, nor shall testimony under oath be required. The burden of proof shall be on the party submitting the protest. The City Manager or designee shall issue a written decision sustaining or denying the protest. The decision of the City Manager or designee shall be final.

9. If the City determines that a protest is frivolous, the protesting bidder may be determined to be non-responsible and that bidder may be determined to be ineligible for future contract awards by the City.
