COST RECOVERY BASED FEES CONTRACT

There are two types of fees for entitlements: a flat rate or a deposit plus staff time and materials (Cost Recovery). The Cost Recovery Based Fee Contract is for certain entitlements which require a public hearing or are, in general, more complex to process. These applications require a deposit and a completed Cost Recovery Based Fee Contract. This means that the applicant will be billed for the full cost of processing the application based on staff time and materials over and above the amount of the deposit. Staff's hourly rates shall be determined by annual regular work order rates established by the City of Los Banos Finance Department for the given fiscal year(s) in which the application is processed. For applications requesting multiple entitlements, the deposit shall be the sum of the individual application fees and/or deposits.

Agreement for Payment of Full Cost Based Recovery Fees for Application Processing

Not required for flat fee applications. Please contact the Community & Economic Development Department or Consult the adopted fee schedule if you have questions.

The City agrees to review and process the application in a timely manner in accordance with this Agreement and all applicable laws, regulations, ordinances, standards, and policies. This agreement applies to all subsequent applications related to the project.

Prior to completion of processing of any phase of the project, any and all outstanding amounts due pursuant to this agreement shall be paid.
