

City of
Los Banos
At the Crossroads of California

Request for Proposals
For Professional Building Permit Processing,
Building Inspections and Plan Check Services
For the City of Los Banos

Questions & Answers

Question: Can you tell me what the projects are going to be coming into the City of Los Banos of the next couple of years? Are the contract personnel full or part time?

Answer: It is very difficult to predict future projects. The contract would be for full Building Department services. The RFP on the City website goes into greater detail.
