## ADDENDUM NO. 1

June 2, 2016

## F STREET STORM LINE

1. This Addendum forms a part of the Bidding Documents and will be incorporated into the Contract Documents, as applicable. All other conditions of the Contract Documents remain unchanged. The following changes, additions, or deletions as set forth herein shall apply to the Contract Documents and shall be made a part thereof and shall be subject to all the requirements thereof as through originally shown and/or specified.

2. The Contract Documents are hereby modified to effect the following changes:

   a) Bid, Bid Schedule Item No. 9 has been revised to indicate the correct size water line. ***Replace Bid Schedule with attached Revised Bid Schedule.***

   b) Special Provisions, Note 24. Bid Item Descriptions. Bid Item No. 9 has been revised to read as follows:

   *"Bid Item No. 9 – Install 10-Inch C900 Waterline (Including Trenching & Backfill):*

   *This item shall be bid, measured and paid on a per-linear-foot basis. Payment shall include full compensation for furnishing all labor, materials, tools and equipment to install 10" C900 water pipe by conventional open trench method, including, but is not limited to, trenching, bedding, thrust blocks, backfilling, ground restoration, compaction, temporary pavement restoration, and all incidentals, complete in place, as shown on the plans, and in accordance with these specifications, the Standard Provisions and the Standard Specifications, and as directed by the Engineer."*

3. Bids shall be submitted in accordance with this Addendum. All Bidders MUST acknowledge receipt of this Addendum by signing and returning this Addendum with your bid.
