

Thursday, October 20, 2016

The City of Los Banos has contracted with Floyd Johnston Construction to replace a sewer main line from Pacheco Blvd to Overland Avenue on Mercey Springs Road. Appropriate lane closures on Mercey Springs (Hwy 165) and street closures of local streets will be implemented, as needed, throughout the project.

Lane shifts and detours will be installed, as needed, to minimize inconveniences for vehicular and pedestrian traffic. Barring any unforeseen delays, the street work should be completed within the dates posted above.

Day Work

Intersection of B Street & Mercey Springs Road
Eastbound and Westbound lanes on B Street will
be detoured between the hours of
9:00am to 3:00pm
