Classes

City of
Los Banos
At the Crossroads of California

Art History (2nd - 8th Grade) \$ 65

This class will introduce basic concepts of artistic expression through observing and discussing shapes, colors, and dimensions of physical objects. You will be encouraged to practice individual creativity, building on the basic principles of art through the process of drawing several projects.
 June 18-28, 2018 11:00 AM - 12:20 PM
 July 9-19, 2018 11:00 AM - 12:20 PM

Chocolate Candy Making (2nd-8th Grade) \$ 65

Students will learn the history of chocolate and how it is used to make candies. Ingredients are examined and edible chocolate treats will be made for children to take home.
 June 18-28, 2018 1:00 PM - 1:20 PM
 July 9-19, 2018 9:30 AM - 10:50 AM

DIY Circuit Board (2nd-4th Grade) \$65

Did you know programming and circuit prototyping is not just for adults? In this class, students will learn the basics of coding for the Arduino Microcontroller. They will work on creating a Morse code translator, wiring and coding a buzzer, and making a water sensor for a house plant. Do you have an idea for a project of your own? Explore the possibilities of your imagination.
 July 9-19, 2018 1:00 PM - 2:20 PM

DIY Circuit Board (5th- 8th Grade) \$65

Did you know programming and circuit prototyping is not just for adults? In this class, students will learn the basics of coding for the Arduino Microcontroller. They will work on creating a Morse code translator, wiring and coding a buzzer, and making a water sensor for a house plant. Do you have an idea for a project of your own? Explore the possibilities of your imagination.
 July 9-19, 2018 2:30 PM - 3:50 PM

Baking and Decorating Baked Goods (2nd-4th Grade) \$65

Learn how to make beautiful and delicious cupcakes, cookies, and cake pops. Start with kitchen basics and learn your way to decorating your very own work of art that will be unique, delicious, and fun!
 June 18-28, 2018 2:30 PM - 3:50 PM
