

Pacheco Boulevard and Pioneer Road Complete Streets

Hello community members,

The Draft Pacheco Boulevard Complete Streets Plan and Draft Pioneer Road Complete Streets Plan are now available for public review and comment! The Draft Plans can be viewed on the project website:

<http://losbanos2040.org/completestreets>

The Draft Plans will be reviewed by the Planning Commission/City Council in a joint study session on Tuesday, November 10th at 6 pm. Community members are welcome to log in to this virtual meeting:

<https://global.gotomeeting.com/join/679281309>

Community members can provide written comments on the Draft Plans. The City will accept comments until Friday, November 20th. Send comments to:

CompleteStreets@LosBanos2040.org

After the comment period is closed, the Final Complete Streets Plans will be developed, followed by public hearings at Planning Commission and City Council to consider the Complete Streets Plans. Hearings are anticipated to be held in December. After hearings, any proposed improvements that move forward will need to undergo further detailed design, engineering and environmental review prior to implementation.

Thanks again for staying involved!

—The Project Team
