

# NEW! SOLID WASTE SERVICES

CITY OF LOS BANOS  
MID VALLEY DISPOSAL

.....

## NEW CART DELIVERY

.....

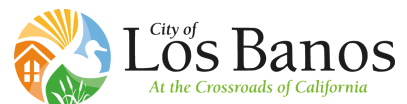

- Mid Valley Disposal will begin delivering new carts the week of July 5th and deliveries will be completed by July 23rd. Lookout for the 'Welcome Packet' attached to your new carts.
- Customers will receive their carts the day before their scheduled service day (E.g. if your trash is picked up on Wednesday, your new carts will be delivered on Tuesday). As soon as you receive your new carts, remove them from the curb.
- When you receive your new carts, place ALL old carts on the curb-side for collection and removal. Put all old carts out even if they are not full. The old cars will be removed on your scheduled collection day.
