CALTRANS TO BEGIN BRIDGE MAINTENANCE PROJECT AT NINE LOCATIONS IN MERCED & MARIPOSA COUNTIES

STOCKTON – Caltrans is preparing to begin a bridge preventative maintenance project that will make necessary repairs at nine different locations within Merced and Mariposa Counties.

Work will vary per location and will include the repair of existing bridge deck concrete, installation of polyester concrete overlays, and the replacement of various joint seals and bridge deck approach and departure slabs.

This project is scheduled to begin the week of April 24-30, 2022, (weather permitting) with completion expected in September 2022.

Project locations include structures at:
