LOS BANOS PARKS & RECREATION PICKLEBALL COURTS PROJECT

APRIL 19TH, 2022

PARKS & RECREATION COMMISSION

HIGHLIGHTED PROJECT: PICKLEBALL COURTS

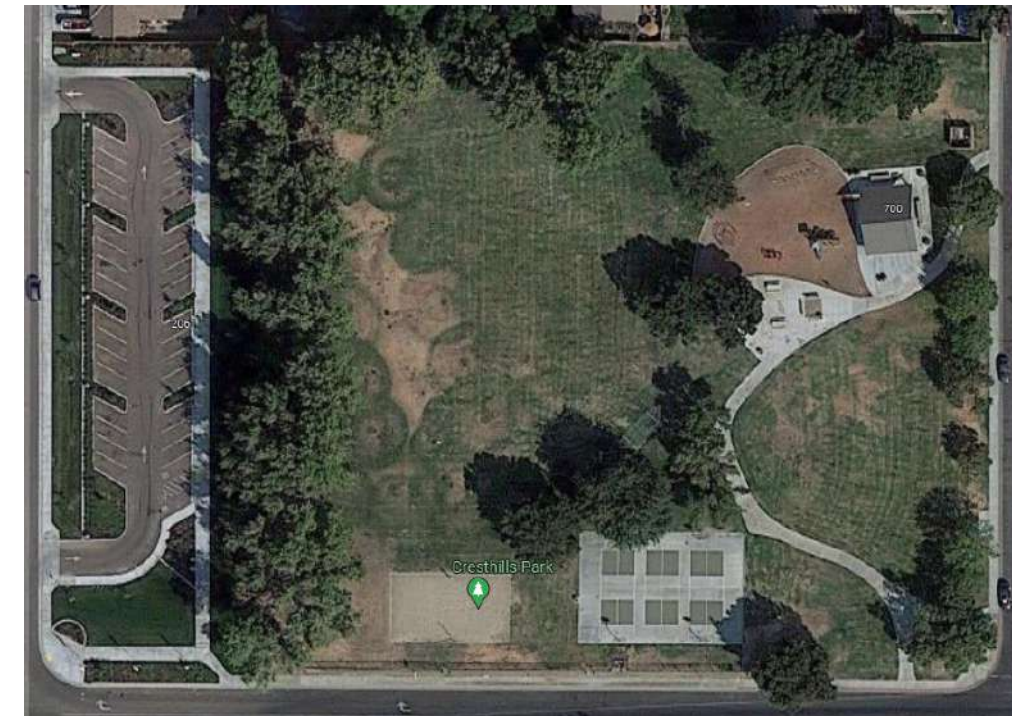

- Pickleball courts have been a highly requested amenity from the public.
- Pickleball was identified as a priority project during the Parks Master Plan process.
- Pickleball is a racket/paddle sport that utilizes a court similar to tennis courts. Courts are smaller in size than a tennis court.
- Funds for the pickleball courts are being requested from ARPA funding.

HIGHLIGHTED PROJECT: PICKLEBALL COURTS

- Pickleball courts are being requested at Cresthills Park.
- The courts would include fencing, lighting and a connecting sidewalk.
- The connecting sidewalk would provide access from Blackhills Ave. and the playground side of the park to the parking lot area.
- Lighting would be extended for the basketball courts.
- 280 Feet between the Pickleball courts and neighboring home; the same distance as the existing basketball courts.
