## OCTOBER 18TH, 2022

On October 18th the Los Banos Parks and Recreation Commission will be discussing a variety of parks and recreation updates. A special presentation will be made on the pickleball court project.

## WHAT IS THE PICKLEBALL COURT PROJECT?

The City of Los Banos is in the planning stage for pickleball courts to be constructed at Cresthills Park (700 Pioneer Rd.)

The courts would be the first permanent courts in Los Banos parks.

## WHAT IS PICKLEBALL?

Pickleball is a racket/paddle sport that was created by combining elements of several other racket sports. Two or four players use solid paddles to hit a perforated polymer (wiffle) ball over a net. Pickleball is a fun and easy sport to learn for youth and adults.

**All programs subject to change**
