

# BULKY ITEM COLLECTION SERVICE

Provided as part of your waste collection service, on-call bulky item collection allows for single family and multi-family residents to place large bulky items at the curb for collection year round. Each resident or multi-family property manager can arrange for up to 4 bulky item collection services per year, where up to 3 cubic yards of material or 6 large bulky items may be placed at the curb for collection at no additional charge.

## BEFORE YOU PLACE ITEMS AT THE CURB:

1

Make sure what you have is what we can collect. Accepted items include old or unused appliances, couches, mattresses, electronic waste, tires, or extra bagged trash. We cannot accept items such as construction and demolition materials, household hazardous waste, propane tanks, concrete, or carpeting.

2

Request your bulky item collection by completing the request service form found on our webpage. List your service location information and the items you want collected in the additional comments section and our service team will call you to schedule your requested service.

Scan here for form

3

Wait until you receive confirmation of your request before placing items to the curb. Your confirmation will contain instructions on proper placement of your items for collection.

WE PROMISE TO DO OUR PART, WHILE YOU CONTINUE TO DO YOURS
