

City of
Los Banos
At the Crossroads of California

ADDENDUM NO. 1

September 29, 2023

**RFQ On-Call Construction Management Services
Project No. 24-RFQ-PW-001**

The purpose of this addendum is to officially response to questions as they relate to the RFQ.

1. **Question:** Per page 7, General Personnel Requirements, paragraph 3, the City is requesting a Registered Professional Engineer to satisfy this role. Would the City be willing to accept a certified Construction Manager (CCM) on behalf of the Construction Management Association of America (CMAA) in lieu of a Registered Professional Engineer?

Response: A professional engineer license is required for heavy civil infrastructure projects. Some of the project also require documentation for Caltrans LAPM, thus needing this license.

This Addendum forms a part of the Proposal Documents and will be incorporated into the Contract Documents, as applicable. All other conditions of the Contract Documents remain unchanged. The following changes, additions, or deletions as set forth herein shall apply to the Contract Documents and shall be made a part thereof and shall be subject to all the requirements thereof as through originally shown and/or specified.

Proposals shall be submitted in accordance with this Addendum. All consultants **MUST** acknowledge receipt of this Addendum by signing and returning this Addendum with your Proposal.
