LOS BANOS COLORADO BALLPARK

JANUARY 23, 2024

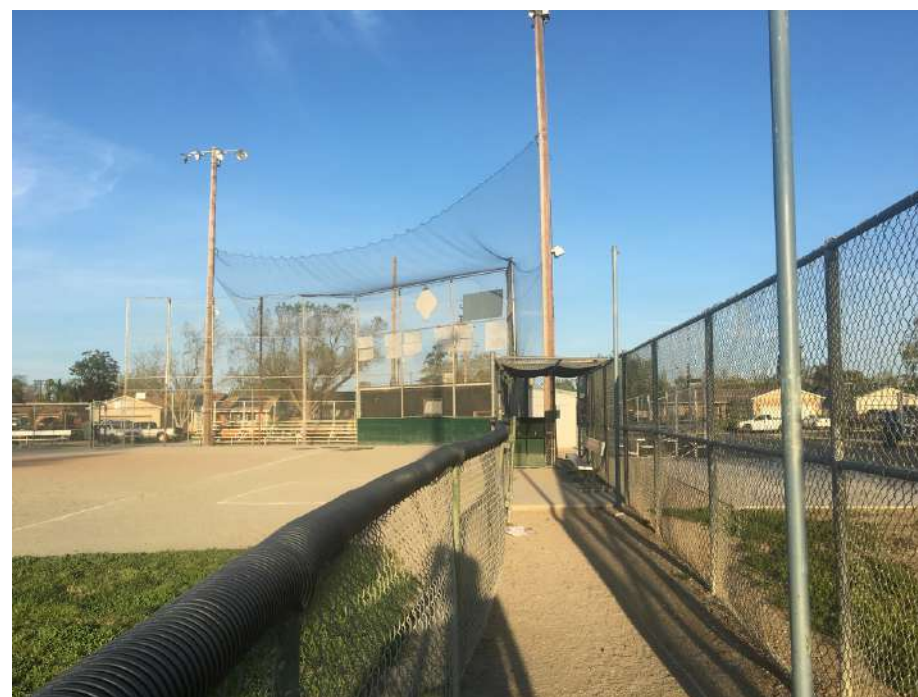

Background

- Colorado Ballpark (815 Colorado Ave.) is over 70 years old and shares land with the City of Los Banos' Municipal Airport. Since 1969 the City of Los Banos and Little League has used the park as the primary hosts for Los Banos, Santa Nella, Dos Palos and Gustine. The skate park is dated and needs to be upgraded. Replacing aging tennis courts would provide safe conditions for tennis in Los Banos.
