This policy shall be considered primary insurance as respects to City, its elected or appointed officers, officials, employees, agents and volunteers as respects to all claims, losses, or liability arising directly or indirectly from the Consultant's operations or services provided to City. Any insurance maintained by City, including any self-insured retention City may have, shall be considered excess insurance only and not contributory with the insurance provided hereunder.

iii. This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

iv. The insurer waives all rights of subrogation against City, its elected or appointed officers, officials, employees, agents and volunteers.

v. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to City, its elected or appointed officers, officials, employees, agents or volunteers.

vi. The insurance provided by this policy shall not be suspended, voided, canceled, or reduced in coverage or in limits, by either party except after thirty (30) calendar days (10 calendar days written notice of non-payment of premium) written notice has been received by City.

8.1. Nothing in this Section shall be construed as limiting in any way, the indemnification provision contained in this Agreement, or the extent to which Consultant may be held responsible for payments of damages to persons or property.

8.2 Consultant shall not allow any subcontractors or sub consultants to commence work on any subcontract until they have provided evidence satisfactory to the City that they have secured all insurance required under this section. Policies of commercial general liability insurance provided by such subcontractors or sub consultants shall be endorsed to name the City as an additional insured using ISO form CG 20 38 04 13 or an endorsement providing the exact same coverage. If requested by Consultant, City may approve different scopes or minimum limits of insurance for particular subcontractors or sub consultants.

9. **Nondiscrimination.** In the performing of this Agreement, Consultant shall not discriminate against any subcontractor, employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation race, religion, color, national origin, handicap, ancestry, sex or age.

10. **Independent Contractor.** It is understood that City retains Consultant on an independent contractor basis and Consultant is not an agent or employee of City. The manner and means of conducting the work are under the control of Consultant, except to the extent they are limited by statute, rule or regulation and the expressed terms of this Agreement. Nothing in this Agreement shall be deemed to constitute approval for Consultant or any of Consultant's employees or agents, to be the agents or employees of City. Consultant shall have the responsibility for and control over the means of performing the work, provided that Consultant is in compliance with the terms of this Agreement. Anything in this Agreement that may appear to give City the right to direct Consultant as to the details of the performance or to exercise a measure of control over Consultant shall mean only that Consultant shall follow the desires of City with respect to the results of the services.

10.1. The Consultant shall at all times remain an independent Contractor with respect to the services to be performed under this Agreement and shall be responsible for the payment of Federal and State Employer Withholding Taxes, Unemployment Insurance Taxes, FICA Taxes, Retirement, Life and/or Medical Insurance, and Worker's Compensation Insurance for the employees of the Consultant or any other person performing services under this Agreement. Consultant and its employees are not entitled to the rights or benefits afforded to City's employees, including disability or unemployment insurance, workers' compensation, medical insurance, sick leave, or any other employment benefit. Consultant agrees to indemnify and hold City harmless from any claims, costs, losses, fees, penalties, interest, or damages suffered by City as a result of any claim by any person or entity contrary to the provisions of this Section 10.

11. **Subcontracting.** Nothing contained in this contract or otherwise, shall create any contractual relation between the City and any sub consultant(s), and no subcontract shall relieve Consultant of its responsibilities and obligations hereunder. Consultant agrees to be as fully responsible to the City for the acts and omissions of its sub consultant(s) and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by Consultant. Consultant's obligation to pay its sub consultant(s) is an independent obligation from the City's obligation to make payments to the Consultant.

11.1. Consultant shall perform the work contemplated with resources available within its own organization and no portion of the work pertinent to this contract shall be subcontracted without written authorization by the City's Contract Administrator.

11.2. Consultant shall pay its sub consultants within ten (10) calendar days from receipt of each payment made to Consultant by the City.

11.3. All subcontracts entered into as a result of this contract shall contain all the provisions stipulated in this Agreement to be applicable to sub consultants.

11.4. Any substitution of sub consultant(s) must be approved in writing by City's Contract Administrator prior to the start of work by the sub consultant(s).

12. **Ownership of Documents.** All documents, information and materials of any and every type furnished or prepared by the Consultant or any of its subcontractors pursuant to and in the course of performance of this Agreement shall be and remain the sole and exclusive property of the City. Such documents, information and materials shall include but not be limited to all findings, reports, plans, specifications, studies, drawings, estimates, documents, information and data including, but not limited to, electronic media, computer tapes or discs, files, and tapes furnished or prepared or accumulated by the Consultant in performing work under this Agreement, whether completed or in process. City shall have the sole right to use such documents, materials and information in its discretion without further compensation to Consultant or any other party. Consultant shall, at Consultant's expense, provide such documents, materials and information to City upon prior written request.

12.1. All Documents shall be considered works made for hire and all Documents and any and all intellectual property rights arising from their creation, including, but not limited to, all copyrights and other proprietary rights, shall be and remain the property of the City without restriction or limitation upon their use, duplication or dissemination by the City. Consultant shall not obtain or attempt to obtain copyright protection as to any Documents.

12.2. Nothing herein shall constitute or be construed to be any representation by Consultant that the work product is suitable in any way for any other project except the one detailed in this Agreement. Any reuse by City for another project or project location shall be at City's sole risk.

13. **Confidentiality.** All City information disclosed to Consultant during the course of performance of services under this Agreement shall be treated as confidential and shall not be

disclosed to any other persons or parties except as authorized by City, excepting that information which is public record and subject to disclosure pursuant to the Public Records Act, or otherwise required by law. All documents, including drafts, notes and communications that result from the services in this Agreement, shall be kept confidential unless City authorizes in writing the release of information, excepting that information which is public record and subject to disclosure pursuant to the Public Records Act, or otherwise required by law.

14. **Access to Records.** Consultant shall maintain all books, records, documents, accounting ledgers, and similar materials relating to work performed for City under this Agreement on file for at least three (3) years following the date of final payment to Consultant by City. Any duly authorized representative(s) of City shall have access to such records for the purpose of inspection, audit and copying at reasonable times, during Consultant's usual and customary business hours. Consultant shall provide proper facilities to City's representative(s) for access and inspection. Consultant shall be entitled to reasonable compensation for time and expenses relate to such access and inspection activities, which shall be considered to be an additional service to the City, subject to the provisions of Section 4 hereinabove.

15. **Conflict of Interest.** The Consultant or its employees may be subject to the provisions of the California Political Reform Act of 1974 (the "Act"), which (1) requires such persons to disclose any financial interest that may foreseeably be materially affected by the work performed under this Agreement, and (2) prohibits such persons from making, or participating in making, decisions that will foreseeably financially affect such interest.

15.1. If subject to the Act, Consultant shall conform to all requirements of the Act. Failure to do so constitutes a material breach and is grounds for immediate termination of this Agreement by City. Consultant shall indemnify and hold harmless City for any and all claims for damages resulting from Consultant's violation of this Section.

15.2. Consultant represents that neither Consultant, nor any of its employees, agents or subcontractors, have a conflict of interest with respect to the work to be performed under this Agreement, nor shall such individuals, during this term of this Agreement, acquire any interest, which would conflict in any manner with the performances of services hereunder.

16. **Assignment.** This is a personal service contract, and the duties set forth herein shall not be delegated or assigned to any person or entity without the prior written consent of City. Consultant may engage a subcontractor(s) as permitted by law and may employ other personnel to perform services contemplated by this Agreement at Consultant's sole cost and expense.

17. **Compliance with Laws, Rules, Regulations.** Consultant shall perform the services required by this Agreement in compliance with all applicable Federal and California employment laws including, but not limited to, those laws related to minimum hours and wages; occupational health and safety; fair employment and employment practices; workers' compensation insurance and safety in employment; and all other Federal, State and local laws and ordinances applicable to the services required under this Agreement. Consultant shall indemnify and hold harmless City from and against all claims, demands, payments, suits, actions,

proceedings, and judgments of every nature and description including attorneys' fees and costs, presented, brought, or recovered against City for, or on account of any liability under any of the above-mentioned laws, which may be incurred by reason of Consultant's performance under this Agreement.

18. **Integration; Amendment.** This Agreement represents the entire understanding of City and Consultant as to those matters contained herein. No prior oral or written understanding shall be of any force or effect with respect to those matters covered in it. This Agreement may not be modified or altered except by amendment in writing sign by both parties. City's city manager, or designee, may execute any such amendment on behalf of City.

19. **Severability.** If any part of this Agreement is found to be in conflict with applicable laws, such part shall be inoperative, null, and void insofar as it is in conflict with said laws, but the remainder of the Agreement shall continue to be in full force and effect.

20. **Waiver/Validity.** Consultant agrees that waiver by City of any one or more of the conditions of performance under this Agreement shall not be construed as waiver of any other condition of performance under this Agreement. The acceptance by the City of the performance of any work or services by Contractor shall not be deemed to be a waiver of any term or condition of this Agreement.

21. **Jurisdiction.** City and Consultant agree that the law governing this Agreement shall be that of the State of California. Any suit brought by either party against the other arising out of the performance of this Agreement shall be filed and maintained in the County of Merced.

22. **Notice.** Any notices required to be given pursuant to this Agreement shall be deemed to have been given by their deposit, postage prepaid, in the United States Postal Service, addressed to the parties as follows:

23. **Termination.** City may, in its sole discretion, terminate this Agreement at any time and for any reason whatsoever by giving written notice of such termination to Consultant. In the event of such termination, Consultant shall immediately stop rendering services under this Agreement unless directed otherwise by the City. In the event of such termination, Consultant

shall be entitled to compensation for all services rendered and work performed for City to the date of such termination.

24. **Corrective Measures.** Consultant will promptly implement any corrective measures required by City regarding the requirements and obligations of this Agreement. Consultant will be given a reasonable amount of time as determined by the City to implement said corrective measures. Failure of Consultant to implement required corrective measures shall result in immediate termination of this Agreement.

25. **Corrections.** In addition to the above indemnification obligations, the Consultant shall correct, at its expense, all errors in the work which may be disclosed during the City's review of the Consultant's report or plans. Should the Consultant fail to make such correction in a reasonably timely manner, such correction shall be made by the City, and the cost thereof shall be charged to the Consultant. In addition to all other available remedies, the City may deduct the cost of such correction from any retention amount held by the City or may withhold payment otherwise owed Consultant under this Agreement up to the amount of the cost of correction.
