ACTION BY UNANIMOUS WRITTEN CONSENT
IN LIEU OF A SPECIAL MEETING OF
THE BOARD OF DIRECTORS OF
AGEE CONSTRUCTION CORPORATION,
A CALIFORNIA CORPORATION

In accordance with Article III, Section 13 of the Bylaws of the Corporation and Section 307(b) of the California Corporations Code, the Board of Directors of AGEE CONSTRUCTION CORPORATION, a California corporation (the "Corporation"), hereby takes the following actions and adopts the following resolutions without a meeting:

AUTHORIZATION FOR GAYLE L. SALVUCCI, ALAN D. DIRLAM, ROBERT SERVADIO, KYM E. OLIVAS AND JOHN GERWE TO SIGN CONSTRUCTION DOCUMENTS ON BEHALF OF THE CORPORATION

WHEREAS, the Board of Directors of the Corporation recognizes that from time to time Construction Documents need to be signed on behalf of the Corporation on an expedited basis; and

WHEREAS, the Board of Directors has deemed it in the Corporation's best interests to authorize not only the officers of the Corporation to execute such Construction Documents but also to authorize certain other employees to execute such documents; it is therefore

RESOLVED FURTHER, that GAYLE L. SALVUCCI, ALAN D. DIRLAM, ROBERT SERVADIO, KYM E. OLIVAS, and JOHN GERWE, *any one of them acting alone*, is hereby authorized, from time to time, in the name of the Corporation and as its corporate act and deed, to execute Construction Documents, and further authorized to execute any and all documents and to take any further actions necessary, desirable, or convenient in order to consummate such the transactions contemplated by the Construction Documents; and

RESOLVED FURTHER, that the authority given hereunder shall be deemed retroactive and any and all acts authorized hereunder performed prior to the passage of this resolution are hereby ratified and affirmed.

This Action by Unanimous Written Consent of the Board of Directors of AGEE CONSTRUCTION CORPORATION is hereby taken by the undersigned, constituting all of the members of the Board of Directors, to be effective for all purposes on May 9th, 2024.

Non-Collusion Affidavit

TITLE 23 UNITED STATES CODE SECTION 112 AND PUBLIC CONTRACT CODE 7106

To the City of Los Banos Department of Public Works.

In conformance with Title 23 United States Code Section 112 and Public Contract Code 7106 the bidder declares that the bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation; that the bid is genuine and not collusive or sham; that the bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid, and has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or that anyone shall refrain from bidding; that the bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder, or to secure any advantage against the public body awarding the contract of anyone interested in the proposed contract; that all statements contained in the bid are true; and, further, that the bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, or paid, and will not pay, any fee to any corporation, partnership, company association, organization, bid depository, or to any member or agent thereof to effectuate a collusive or sham bid.

Note: The above Non-collusion Affidavit is part of the Proposal. Signing this Proposal on the signature portion thereof shall also constitute signature of this Non-collusion Affidavit.

Bidders are cautioned that making a false certification may subject the certifier to criminal prosecution.

Debarment and Suspension Certification

TITLE 49, CODE OF FEDERAL REGULATIONS, PART 29

The bidder, under penalty of perjury, certifies that, except as noted below, he/she or any other person associated therewith in the capacity of owner, partner, director, officer, and manager:

- Is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal agency;
- Has not been suspended, debarred, voluntarily excluded or determined ineligible by any federal agency within the past 3 years;
- Does not have a proposed debarment pending; and
- Has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct within the past 3 years.

If there are any exceptions to this certification, insert the exceptions to an additional sheet of paper and include with the bid.

Exceptions will not necessarily result in denial of award, but will be considered in determining bidder responsibility. For any exception noted above, indicate on an additional sheet of paper to whom it applies, initiating agency, and dates of action.

Notes: Providing false information may result in criminal prosecution or administrative sanctions. The above certification is part of the Proposal. Signing this Proposal on the signature portion thereof shall also constitute signature of this Certification.

NPDES/MS4 Compliance Certification

All construction projects within the City limits must comply with the National Pollutant Discharge Elimination System (NPDES) storm water regulation adopted by the EPA and the Phase II Small Municipal Separate Storm Sewer System (MS4) General Permit requirements, regardless of size.

The City is required under these permits to provide information to Contractors performing work within City limits about training opportunities to assist in managing potential pollutants from construction –related activities, selection, installation, implementation, and maintenance of Best Management Practices (BMPs), as well as overall program compliance. The City has provided such information and helpful links on their website at <http://www.losbanos.org/city-government/departments/public-works/>, under the Storm Water Management Plan tab.

The Bidder acknowledges that they are aware of the necessity to be in compliance with the NPDES and MS4 permits while working within City limits, and that information regarding such is available on the City's website.

Note: The above certifications are part of the bid. Signing this bid on the signature portion thereof shall also constitute signature of these certifications.

NONLOBBYING CERTIFICATION FOR FEDERAL-AID CONTRACTS

The prospective participant certifies, by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in conformance with its instructions.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The prospective participant also agrees by submitting his or her bid or proposal that he or she shall require that the language of this certification be included in all lower tier subcontracts, which exceed \$100,000 and that all such subrecipients shall certify and disclose accordingly.

Exhibit 12-B: Bidder's List of Subcontractor (DBE and Non-DBE) - Part 1

As of March 1, 2015 Contractors (and sub-contractors) wishing to bid on public works contracts must be registered with the State Division of Industrial Relations and certified to bid on Public Works contracts. Please register at <https://www.dir.ca.gov/Public-Works/Contractor-Registration.html>. The local agency will verify registration of all contractors and subcontractors on public works projects at bid and thereafter annually to assure that yearly registration is maintained throughout the life of the project.

In accordance with Title 49, Section 26.11 of the Code of Federal Regulations, and Section 4104 of the Public Contract Code of the State of California, as amended, the following information is required for each sub-contractor who will perform work amounting to more than one half of one percent (0.5%) of the Total Base Bid or \$10,000 (whichever is greater).

Cost Proposal Due Date _____ PE/CE
Federal-aid Project No(s). _____ CML-5160(031)
Bid Opening Date _____ December 11, 2024 _____ CON

The City of Los Banos established a Disadvantaged Business Enterprise (DBE) goal of 22 % for this contract. The information provided herein shows the required good faith efforts to meet or exceed the DBE contract goal.

Proposers or bidders submit the following information to document their good faith efforts within five (5) calendar days from cost proposal due date or bid opening. Proposers and bidders are recommended to submit the following information even if the Exhibit 10-O1: Consultant Proposal DBE Commitments or Exhibit 15-G: Construction Contract DBE Commitment indicate that the proposer or bidder has met the DBE goal. This form protects the proposer's or bidder's eligibility for award of the contract if the administering agency determines that the bidder failed to meet the goal for various reasons, e.g., a DBE firm was not certified at bid opening, or the bidder made a mathematical error.

The following items are listed in the Section entitled "Submission of DBE Commitment" of the Special Provisions, **please attach additional sheets as needed:**

- A. The names and dates of each publication in which a request for DBE participation for this project was placed by the bidder (please attach copies of advertisements or proofs of publication):

Publications— Advertisement	Dates of

Bid Bond

We, Agee Construction Corporation
as Contractor, and Liberty Mutual Insurance Company
as Surety, jointly and severally, bind ourselves, our heirs, representatives, successors and
assigns, as set forth herein, to the **City of Los Banos** (herein called "Owner") for payment
of the penal sum of Ten Percent of Bid Amount
Dollars (\$ 10%),

lawful money of the United States. Contractor has submitted the accompanying bid proposal

for the construction of: **Pioneer Road/ Ortigalita Road Signalization & Traffic Flow
Improvements**

If the Contractor is awarded the contract and enters into a written agreement, in the form prescribed by the Owner, at the price designated by Bid Schedule, and files a payment bond and performance bond with the Owner, or substitute security in lieu thereof, in the time and manner specified by the Owner, and carries all insurance in type and amount which conforms to the General Provisions, Special Provisions, and Technical Specifications in these Contract Documents and furnishes required certificates and endorsements thereof, then this obligation shall be null and void; otherwise it shall remain in full force and effect.

Forfeiture of this bond, or any deposit made in lieu thereof, shall not preclude the Owner from seeking all other remedies provided by law to cover losses sustained as a result of the Contractor's failure to do any of the foregoing.

Contractor and Surety agree that if the Owner is required to engage the services of an attorney in connection with the enforcement of this bond, each shall pay Owner's reasonable attorney's fees incurred with or without suit.

Any officer or other official of the Corporation authorized for that purpose in writing by the Chairman or the President, and subject to such limitation as the Chairman or the President may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Corporation to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact, subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Corporation by their signature and execution of any such instruments and to attach thereto the seal of the Corporation. When so executed, such instruments shall be as binding as if signed by the President and attested to by the Secretary. Any power or authority granted to any representative or attorney-in-fact under the provisions of this article may be revoked at any time by the Board, the Chairman, the President or by the officer or officers granting such power or authority.

ARTICLE XIII – Execution of Contracts: Section 5. Surety Bonds and Undertakings.

Any officer of the Company authorized for that purpose in writing by the chairman or the president, and subject to such limitations as the chairman or the president may prescribe, shall appoint such attorneys-in-fact, as may be necessary to act in behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations. Such attorneys-in-fact subject to the limitations set forth in their respective powers of attorney, shall have full power to bind the Company by their signature and execution of any such instruments and to attach thereto the seal of the Company. When so executed such instruments shall be as binding as if signed by the president and attested by the secretary.

Certificate of Designation – The President of the Company, acting pursuant to the Bylaws of the Company, authorizes David M. Carey, Assistant Secretary to appoint such attorneys-in-fact as may be necessary to act on behalf of the Company to make, execute, seal, acknowledge and deliver as surety any and all undertakings, bonds, recognizances and other surety obligations.

Authorization – By unanimous consent of the Company's Board of Directors, the Company consents that facsimile or mechanically reproduced signature of any assistant secretary of the Company, wherever appearing upon a certified copy of any power of attorney issued by the Company in connection with surety bonds, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

I, Renee C. Llewellyn, the undersigned, Assistant Secretary, The Ohio Casualty Insurance Company, Liberty Mutual Insurance Company, and West American Insurance Company do hereby certify that the original power of attorney of which the foregoing is a full, true and correct copy of the Power of Attorney executed by said Companies, is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 6 day of December 2024.

22. Contractor: Billy Hauff, Granite Construction

Please provide soils report. Please provide depth/cores of existing asphalt/road sections.

Response:

Geotechnical Memo for the Ortigalita Intersection Project and the Draft Geotechnical Design Materials Report for the Pioneer Road Complete Streets Project has been included with this Addendum #2.

23. Contractor: Bruce Bloom, TBS Contractors

Are specific dates that work can be performed in the irrigation facilities? Will irrigation water be shut off during certain times?

Response:

The contractor must maintain access to irrigation waters throughout construction. The irrigation ditch is most active during the peak dry season from April to October. During this time, a maximum flow of 7 cfs is anticipated. During other times of the year, the irrigation flows are not as high, but the ditch still serves as a drainage conveyance during the wet season. It is the Contractor's responsibility to stage the construction of the irrigation and drainage facilities to minimize impacts and ensure that property owners downstream of the project can utilize irrigation water throughout the construction period.

24. Contractor: Sheree Schoenherr, Graniterock

Will dewatering be required for the Underground Utility work? What elevation is the water table estimated to be at? Are there any special requirements for dewatering that need to be accounted for in the bid proposal?

Response:

Based on the geotechnical investigations performed, the water table was observed to be at least 25 feet deep. For this reason, dewatering is not anticipated, but if groundwater is encountered during construction, the Contractor will be responsible for performing dewatering. Dewatering requirements are provided in Section 56 of the General Provisions.

25. Contractor: Lorena Ortiz-Vasquez, TBS Contractors

Could you please provide us with the soils report for this project?

Response:

Response:

The Good Faith Efforts Documentation DBE Submittal shall be submitted by all bidders.

28. Contractor: Lorena Ortiz-Vasquez, TBS Contractors

Will delays be added if utility companies encounter any conflicts as per sheet 19, note 1 and 2?

Response:

Per Notes 1 and 2 on page 19 of the project plans, it is the Contractor's responsibility to investigate and confirm the locations of existing utilities during construction. If an unanticipated conflict is identified during construction, the Contractor shall notify the Engineer as soon as possible to discuss the best course of action to minimize delays and impacts.

29. Contractor: Lorena Ortiz-Vasquez, TBS Contractors

Have utility companies relocated utilities as shown on sheet 32?

Response:

The utility relocations are anticipated to be completed by late January 2025.

30. Contractor: Lorena Ortiz-Vasquez, TBS Contractors

Who is responsible for relocating holding poles, if needed to relocate?

Response:

The utility pole relocations have been coordinated with the utility companies (AT&T, PG&E, and Comcast). When the pole relocations have been completed, all old poles will be removed by the utility companies. The Contractor is not responsible for removing any utility poles.

31. Contractor: Lorena Ortiz-Vasquez, TBS Contractors

As per sheet 36, note 6 and 9, the profile shows bling flange for the future, but the plan looks like it is a tie end at that location. Could you please clarify?

Response:

A blind flange shall be installed at this location per plan sheet 36. Along the west, south, and east legs of the intersection, there are no existing water lines. In the future, the City intends to expand its water system further, beyond the limits of this intersection project. For reference, these future planned waterlines have been shown on the plans. Please refer to the legend to help clarify which waterlines are proposed with this project, existing, and future planned extensions. With this project, the only point along the proposed waterline that will be connecting to an existing waterline is along the north leg of Ortigalita Road, near Gabbro Way (as shown on plan sheet 39).

32. Contractor: Rick Spielman, Teichert Construction

Please provide the schedule for the removal and replacement of existing utilities relocation (AT&T, PG&E, Comcast, etc.), to be performed by others.

Response:

The utility relocations are anticipated to be completed by late January 2025.

33. Contractor: Rick Spielman, Teichert Construction

35. Contractor: Rick Spielman, Teichert Construction

In the Stage Construction drawings (SC-1 & 2), it requires the use of Temporary Railing (Type K) – 4,120 LF. Please provide bid items for this.

Response:

All traffic control items, including Temporary Railing (Type K), have been accounted for under the lump sum Traffic Control System bid item. Please see Item # 3 - Traffic Control System in the Technical Specifications.

36. Contractor: Rick Spielman, Teichert Construction

Please provide detail drawings (layouts and cross sections, etc.) for the temporary road widenings.

Response:

See sections 15, 16, and 17 of the Special Provisions. It is the Contractor's responsibility to establish and implement a Traffic Control Plan, including the temporary paving limits necessary for stage construction.

37. Contractor: Rick Spielman, Teichert Construction

Per Sheet X-1, it states the existing structural sections on both streets as: 0.25' AC / 0.35' AB. Please provide back-up corings that supports this.

Response:

Geotechnical Memo for the Ortigalita Intersection Project and the Draft Geotechnical Design Materials Report for the Pioneer Road Complete Streets Project has been included with this Addendum #2.

38. Contractor: Rick Spielman, Teichert Construction

Please provide that oil type (Performance Grade "PG") that is required for the Hot Mix Asphalt (Type A).

Response:

Consistent with the 2023 Caltrans Standard Specifications, please use PG 64-10.

39. Contractor: Rick Spielman, Teichert Construction

Please provide a bid item for the Tack oil that is required between lifts of HMA.

Response:

Per the Technical Specifications, Tack Coat is included in the bid item for Hot Mix Asphalt (Type A).

40. Contractor: Rick Spielman, Teichert Construction

Is the Asphalt Oil Indexed per Caltrans Standard Specifications?

Response: Yes, Item #18 of the Technical Specification will be updated to reference Caltrans Standard Specification Section 9-1.07.

41. Contractor: Matthew Machado, George Reed Contractors
